

## Support agreement for a dissertation

between (candidate) \_\_\_\_\_

and (supervisor, co-supervisor) \_\_\_\_\_

based on Sec. 10 of the Doctoral Regulations for Zeppelin University in the current version.

1. Ms./Mr. \_\_\_\_\_

is compiling a dissertation at the chair \_\_\_\_\_

at Zeppelin University with the following working title:

\_\_\_\_\_  
\_\_\_\_\_

The dissertation project has been described in detail in an exposé and will be worked on full time  / part time  with a planned completion date of \_\_\_\_\_.

2. For the project according to no. 1, the work plan, schedule and finance plan of the candidate is valid, and is an integral part of this support agreement as an attachment, and will be evaluated and adjusted if necessary, in consultation with the supervisor, on the occasion of the annual report regarding the progress of the dissertation (see no. 3 below). The plan should include the scientific activities of the candidate, such as meetings/conferences, research periods and time spent abroad.
3. The parties agree to work constructively together with the goal of successful scientific work. For this reason, regular discussions will be held at least \_\_\_\_\_ times per semester regarding the progress as well as the qualitative support of the dissertation project, which should highlight successful aspects as well as those requiring improvement. Once per year the doctoral committee is to receive the transcript of such discussions in connection with the work plan, schedule and finance plan as a yearly report according to Sec. 10 Par. 5 PromO.
4. The parties agree to uphold the *Rules for proper scientific practice* of Zeppelin University, which are included as an attachment and are an integral part of this support agreement.

5. In the event of a failure to comply with this agreement, the parties agree to immediate clarification and fulfillment. When clarification is necessary, the appropriate contact is the doctoral committee for support issues and the incumbent ombudsmen of Zeppelin University for issues regarding scientific practices.
6. The termination of a doctoral degree is to be reported by the candidate or the supervisor to the doctoral committee.
7. We confirm, that regarding our supervisory relationship there is no ground for exclusion according to § 20 LVwVfG or suspicion of partiality according to § 21 LVwVfG (see also Sec. 13 Par. 3 PromO).
