at Zeppelin University
dated December 02, 2015**

Based on § 70 Para. 6 in conjunction with § 32 Para. 1 of the law regarding universities in Baden-Württemberg (State Higher Education Act – LHG) in the version valid on 12/02/2015, the Senate of Zeppelin University has decided upon the following regulations, last amended on 07/26/2023, governing teaching, studies and examinations in the bachelor study program Politics, Administration & International Relations:

§ 1 Study program structure

- (1) The study program (240 ECTS) is divided into 5 compulsory modules within the interdisciplinary Zeppelin year (60 ECTS points, 1-2 semesters), 5 major compulsory modules (30 ECTS points, 3-4 semesters) and 15 elective modules in the major phase (90 ECTS points, 3-7 semesters), 1 elective module within the integrated Humboldt year (30 ECTS points, 6-7 semesters), and the bachelor phase with the bachelor thesis including a thesis defense (14 ECTS points, 8 study semesters) (see Appendix 2). Two mandatory internships are additional study requirements. It is recommended to spend at least one of these abroad in order to gain international experience. Tandem coaching is a part of the workload in accordance with ECTS and extends from Semester 1 - 8.
- (2) At least 11 major elective modules from PAIR and no more than 4 multidisciplinary elective modules (totaling a maximum of 24 ECTS) must be chosen from the elective modules in the major phase.
- (3) As a rule, all mandatory and elective modules within Zeppelin University bachelor study programs that are not included in the student's own program can be chosen as a multidisciplinary elective module (depending on availability and subject-related admission requirements), as well as offerings from Global Studies and Student Studies.
- (4) The student can decide on a particular track in the major phase: 1. "International Relations" or 2. "Political Behavior & Institutions" or 3. "Public Management, Public Policy & Digitalization". For this purpose, 5 elective modules from the relevant track totaling at least 30 ECTS points must be completed in accordance with Appendix 2

and the module handbook. On request to the Study & Examination Center, the track may be reported in the transcript of records.

§ 2 Authorization of the Examination Committee

When minor changes are made to the SSER, the faculty may allow the Central Examination Committee to make the decision, if consideration by the Senate is not considered necessary. For this purpose, the Central Examination Committee is authorized to undertake changes to these regulations, in the event of which, they will notify the Senate. This does not apply to significant changes, particularly those which affect the very essence, content-related orientation or the basic structure of the study program. Consideration by the senate is absolutely essential in this case.

§ 3 Effective date, transitional regulations

- (1) These regulations in the version of 05/06/2020 come into force on 09/01/2020.
- (2) These SSER apply to students who begin their studies in Fall Semester 2020 or later.

Footnote

In accordance with § 70 Para. 6 in conjunction with § 32 Para. 1 LHG, approval has been granted and the regulations will be published:
